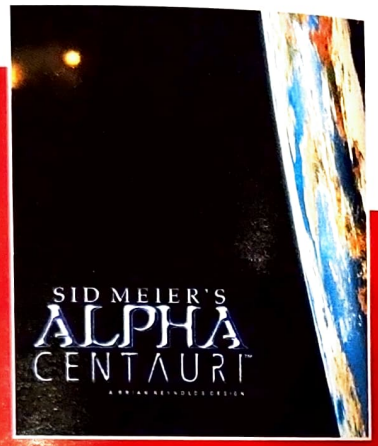
Explore. Discover. Build. Conquer. For the Future Of Mankind



SID MEIER'S ALPHA CENTAURI™

ELECTRONIC ARTS www.ea.com

Available on Windows™ 95 CD

AD 2200. Humankind sets out on history's most monumental task–self-preservation through the colonization of space. After detecting a habitable planet in the Alpha Centauri star system, an international crew sets out to ensure the salvation of human civilization. Forgetting the lessons of history, the crew splits into seven factions, and the race begins to control the new planet–and the future of humankind.

- *Employ an infinite number of strategies to win the game on your own terms*
- *Intelligent city governors and global commands assist you in building and running your empire*
- *A random 3-D world generator ensures that no two games are ever the same*
- *Unite or fight with up to six players via Internet, LAN, modem, or serial link*
- *Custom build units that meet your empire's specific needs*

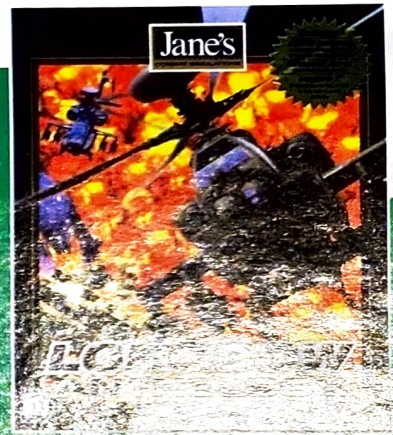
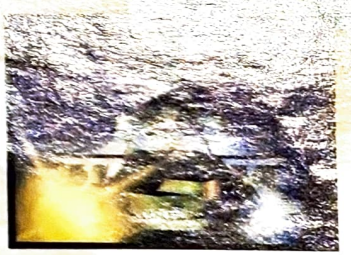
The Most Devastating Assault Vehicle Known to Man



LONGBOW ANTHOLOGY

Jane's COMBAT SIMULATIONS www.janes.ea.com



Jane's Combat Simulations proudly presents Longbow Anthology, the simulation that puts the 1996 Flight Sim of the Year and 1997's flight sim of the year into one complete package. Longbow Anthology puts you in command of the most lethal attack vehicle known to man, and places you smack in the middle of the world's hot spots. Longbow Anthology truly delivers the ultimate helicopter combat experience.

- *Longbow Gold is now played in a 3-D environment*
- *Longbow 2 now supports all 3-D accelerators*
- *Value oriented; a lot of flight sim for very little money*
- *All of the world's hot spots (Korea, Central America, the Middle East) are modeled for the most challenging campaigns available anywhere*
- *Free internet game play for Longbow 2 through Jane's combat.net*

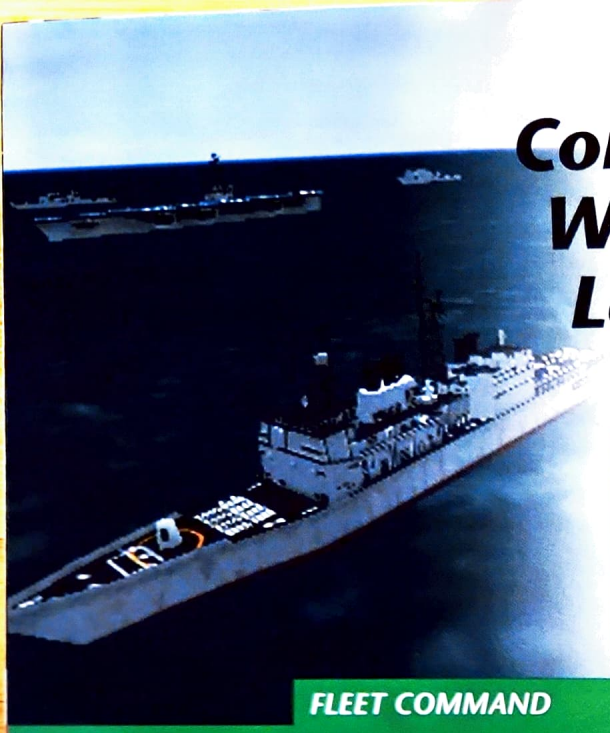
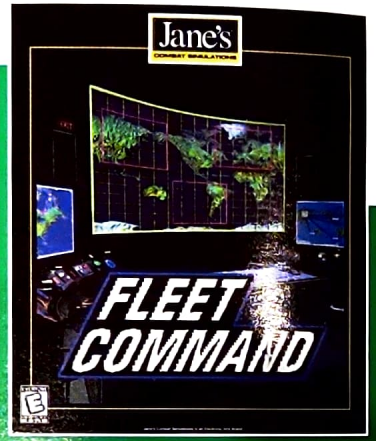
Command the World's Most Lethal Fleets

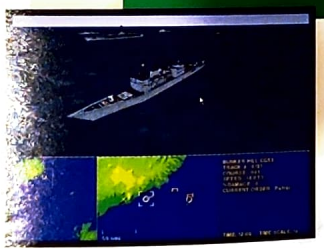


FLEET COMMAND

Jane's www.janes.ea.com



Available on Windows™ 95 CD



Fleet Command delivers the rush of power that comes from commanding a fleet of the world's most sophisticated and lethal warships. But with power comes responsibility, and it is your responsibility to maintain stability in a politically unstable world. As realistic crises break out, it is up to you to employ superior naval strategy to keep these crises from spiraling out of control.

- *Only real-time strategy game with 3-D world*
- *Set in today's lethal and unstable world*
- *Developed by the naval professionals at Sonalyst*
- *Point-and-click action makes gameplay intuitive and engaging*
- *Clouds, rain, differing sea states, and time of day all modeled in stunning detail*

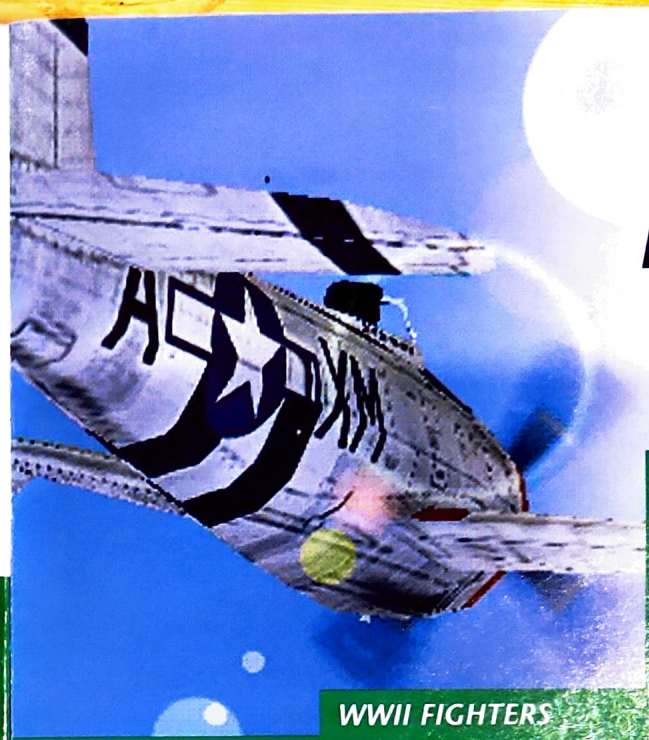
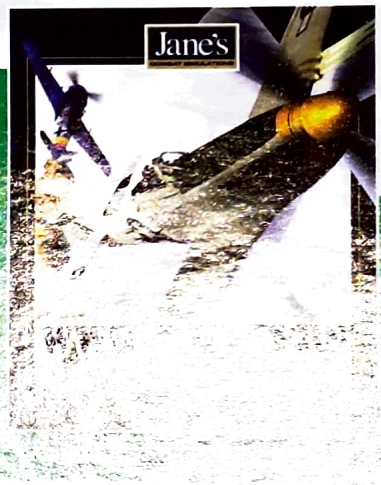
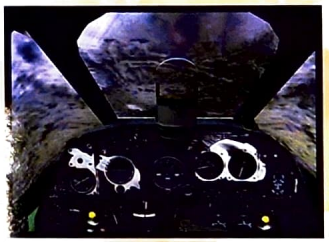
No Friendly Skies



WWII FIGHTERS

Jane's www.janes.ea.com





The skies above Europe come alive with WWII Fighters. Fly the seven best fighters of the war as you take part in the dramatic air campaign of the Battle of the Bulge. Classic dogfighting, tutorials, training missions, and adjustable difficulty levels make this game fun and challenging for players of all levels. Advanced special effects make it the most graphically rewarding flight sim ever.

- *Free combat on JanesCombat.net*
- *Seven WWII era planes: P-51D Mustang, P-47D Thunderbolt, P-38J Lightning, Supermarine Spitfire F.IX, Bf 109G, Fw 190A, and Me 262A*
- *Bombers, tanks, and much more*
- *Breakthrough graphics that maximize 3-D hardware acceleration*

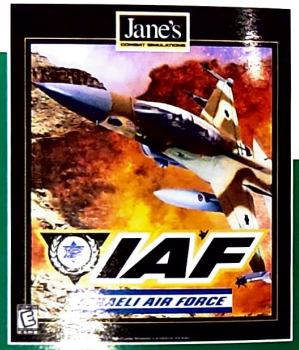
High Stakes Air Combat

ISRAELI AIR FORCE

Jane's www.janes.ea.com



Available on Windows™ 95 CD

In Israel, enemies can cross the length of your homeland in 15 minutes, making every square inch of your nation a feasible target. Israeli Air Force recreates the great battles from which the IAF emerged as the world's most-lethal air force. Take to the skies in this action-packed combat sim and defend the homeland against ground attacks and aggressive Russian-built MiG jets.

- *Free combat on JanesCombat.net*
- *Seven IAF planes: F-4E, F-4 2000, F-15 2000, F-16D, Lavi ATF, Kfir, and Mirage III*
- *Six historically accurate theaters of warfare*
- *Developed with the military hardware experts at Jane's Combat Simulations*
